MEMO.

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Education Department, Bangalore.

Sir,

Sub: Opening of a regular L.F.Dispensary at Thimmanahalli in Chiknaikanahalli Taluk.

In submitting herewith a copy of letter No.C.69/42-43 dated the 17th January 1945 received from the President, District Board, Tumkur together with the resolution of the District Board, in original, I have the honour to request that sanction of Government may be obtained for the opening of a regular Local Fund Dispensary at Thimmanahalli, as per statement of cost herein enclosed. The Government share of the cost will be met from the provision made in the current year's budget for the opening of new dispensaries.

The District Board have agreed to meet the initial equipment and recurring charges of the dispensary in full, and have resolved that (1) the sum of Rs.8,500/- which was collected by the Village Panchayet of Thimmanahalli and deposited in Savings Bank Account might be transferred to the name of the President, District Board, (2) the same might be deposited under a Charitable Endowment Fund and (3) the interest realised from the endowment might be spent towards the expenditure in providing extra facilities for patients in the Local Fund Dispensary.

The District Medical Officer who was consulted in the matter intimates that Thimmanahalli is an interior village with a population of 2,500. He adds that the place is nearly 13 miles from Chiknaikanahalli and about 15 miles from Huliyar and that a dispensary if opened in this place will cater to the medical needs of several interior villages which are far from any main road. It is reported that the Village Panchayet Hall at Thimmanahalli is altered to make the same fit for the location of the dispensary.

I have the honour to be,
Sir,
Your most obedient servant,

sv. Senior Surgeon.

Copy of letter No.C.69/42-43 dated 17-1-1945 from the President, District Board, Tumkur to the Senior Surgeon in Mysore, Bangalore.

Re: Establishment of a Local Fund Dispensary at Thimmahahalli in Chickmaikanahalli Taluk.

With reference to your letter No.C.2125 dated 11-3-1944 on the above subject, requesting for a definite resolution of the Tumkur District Board for meeting the entire cost of initial and recurring expenditure for the opening of a Reduced Scale Dispensary at Thimmanahalli, I have the honour to state that this subject was placed

placed before the District Board at their meeting held on 27-10-1944 and they have resolved that the sum of Rs.8,500/- which was collected by the Village Panchayet of Thimmanahalli and deposited in Savings Bank Account might be transferred to the name of the President, District Board, Tumkur that the same might be deposited under a Charitable Endowment, that the interest realised from the endowment might be spent towards the expenditure in providing extra facilities for patients in the Local Fund Dispensary at the place, that a Local Fund Dispensary of a full type might be established at the place but not of the type of a Reduced Scale and that the initial and recurring charges of the institution might be met entirely out of the funds of the District Board.

In this connection I write to state that, at the time of the passing of the said resolution by the Board, a sum of Rs.8,500/- had been deposited in the name of the Amildar, Chiknaikanahalli Taluk in the Taluk Treasury of the place but later, as they had to effect certain improvements for the building to make it fit and proper for locating the Local Fund Dispensary therein and as they had no other source from which they could get money immediately to meet this extra expenditure, they had to draw the required amount, out of the sum of Rs.8,500/- already deposited in the Savings Bank Account in the name of the Amildar and Rs.7,466/- being the rest of the amount after the above said withdrawal was sent to this office by the Amildar, Chiknaikanahalli Taluk with his letter No.T.C.95/44-45 dated the 10th December 1944 through an R.T.R.No.A1/1958 of 16-12-1944 towards the establishment of the Local Fund Dispensary at Thimmanahalli.

Again on 23-12-1944 a treasury challan No.T.C.98/44-45 dated the 21st December 1944 for Rs.200/- was received in this office, the amount having been credited to the District Board Funds towards the initial charges of the proposed Local Fund Dispensary at Thimmanahalli village. Thus it will be seen that the total amount received by the District Board up till now towards the establishment of the proposed dispensary would be Rs.7,666/-.

I am given to understand unofficially by the Assistant Commissioner, Gubbi Sub Division, Tumkur who had evinced very keen interest and taken great pains to have this Local Fund Dispensary established at Thimmanahalli which is situated in an out of the way with a population of 1943 and thus suffers for want of medical aid, that the remaining amount to make up Rs.8,500/- would be readily donated by public spirited and charitably disposed gentleman of the place immediately a Local Fund Dispensary is established there. I agree with him in that respect.

After the amount donated by the public of the village comes up to Rs.8,400/- steps will be separately taken to invest the same in the name of the President, District Board, Tumkur, under charitable endowments in the Savings Bank at the District Treasury, Tumkur with its interest earmarked for providing extra facilities to the patients attending the Local Fund Dispensary at Thimmanahalli village.

Under the above circumstances I request you to kindly obtain sanction of Government to the resolution of the Board for the establishment of a Local Fund Dispensary at Thimmanahalli, Kandikere hobli, Chiknaikanahalli Taluk since the Village Panchayet of the place have come forward with donations of Rs.8,500/- and the District Board have also agreed to bear the full cost towards the establishment of a Local Fund Dispensary at the place.

A copy of the resolution passed by the District Board is herein enclosed for kind information.

Dear Sir,

I was given to understand by the Senior Surgeon during the recent session of the Legislative Council at Bangalore that he had submitted the file relating to the establishment of a local fund dispensary at Thimmanahalli, Chicknaikanhalli Taluk, for sanction by Government.

The bearers of this letter are the generous hearted donors of the place who have contributed more than Rs 8000/- towards the maintenance of the hospital, which amount has been credited to the District Board Funds. It is more than 6 months since the Board passed a resolution, sanctioning the establishment of the dispensary at Thimmanahalli and submitted the same to Government through the Senior Surgeon for sanctioning the same.

I request that the noble donors might be kindly heard by you personally and the Local Fund Dispensary sanctioned by you very early as it is a necessity
